Leah Jones

Number of Students Enrolled: 23

1. What did you like best about the course and/or how the instructor taught it?

Everything was laid out and it was pretty clear what had to be accomplished with each assignment. I also really enjoyed the fact that she gave us personal feedback on what we had submitted.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

N/A

1. What did you like best about the course and/or how the instructor taught it?

She was very concerned and would go above and beyond to help.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

No improvements needed.

1. What did you like best about the course and/or how the instructor taught it?

Absolutely loved the teacher and how she effectively laid out the process of the class.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

None

1. What did you like best about the course and/or how the instructor taught it?

she great

2. What suggestions do you have for improving the course and/or how the instructor taught it?

she so great

1. What did you like best about the course and/or how the instructor taught it?

Professor was very interactive and transparent with students. It was an enjoyable experience overall and I would highly recommend this professor.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

(No response.)

1. What did you like best about the course and/or how the instructor taught it?

the formatting of the class

2. What suggestions do you have for improving the course and/or how the instructor taught it?

I have no suggestions for this class

1. What did you like best about the course and/or how the instructor taught it?

Was optimistic about changes to the course outline. Gave good feedback on assignments and displayed interest in all students topics. Provided lectures online.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Give more definitive and clear explanations of assignment instructions. Allow students to turn in peer-review sheets in class instead of online.

1. What did you like best about the course and/or how the instructor taught it?

Easy to understand.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Fast Pass

1. What did you like best about the course and/or how the instructor taught it?

Taught in a very organized manner, no surprises, set up the students to succeed, usually explained expectations clearly, gave helpful feedback on assignments

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Make slightly better use of classtime, there were times where it felt like going to class was a waste

1. What did you like best about the course and/or how the instructor taught it?

I liked how she always made an effort to utilize her students feedback in determining how she taught and assigned material.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

I have none.

1. What did you like best about the course and/or how the instructor taught it?

An amazing professor who did a great job not only at teaching and explaining the information at hand, but also providing a nice flexibility to her schedule to meet the demands of not only herself but the class as well.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Nothing really, the class was an amazing experience and I believe professor Jones did spot on job at it.

1. What did you like best about the course and/or how the instructor taught it?

I love how everything we did had a purpose, and was not just busy work. Every assignment we did ultimately ended in a final project which actually taught me something. I also love the way the teacher was able to adapt to us and see what assignments we found helpful, and how to change them if necessary.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

N/A

1. What did you like best about the course and/or how the instructor taught it?

How she jots down everything we say when she answers a question and puts that collection aside with the official notes for those who want a better understanding.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Make assignments weigh more. I've seen too many students in that class forget or not care enough to do her work.

1. What did you like best about the course and/or how the instructor taught it?

I didn't

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Don't

1. What did you like best about the course and/or how the instructor taught it?

What I liked best about this course is how interactive she is with her students and made sure she is clear and always there to help whenever there is something that needs to be clarified whether its via conferences or email

2. What suggestions do you have for improving the course and/or how the instructor taught it?

The suggestions I have for improving the course is to ask for help when you need it

1. What did you like best about the course and/or how the instructor taught it?

Talking to her personally

2. What suggestions do you have for improving the course and/or how the instructor taught it?

(No response.)
