Author_____Peer-Reviewer_____

Assignment_____Date_____

The author wants feedback on:

Did the paper follow all of the assignment prompts? If not, what does the author still need to do to meet the requirements?

I believe that the claim of this paper is _____.

Your organization worked/did not work for me because...

Does each paragraph connect back to the claim? Which ones do or do not?

What I like most about what you have written is _____. Explain.

I would understand better if you clarify _____. Explain.

I would understand more if you add information about _____.

Checklist of components:

- Claim (arguable, backed by YOUR evidence, not opinion)
- Analysis
- Works Cited or References Page
- In-Text citations
- Background
- Transitions

Words that need definitions:
