1. What did you like best about the course and/or how the instructor taught it?

Thank you for your organization and consideration during the semester. Not all professors go above and beyond to encourage students to do well. Thank you

2. What suggestions do you have for improving the course and/or how the instructor taught it?

I would require less work weekly it was hard to keep up with every single assignment due in each class. Overall great class

1. What did you like best about the course and/or how the instructor taught it?

Good course

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Great Course

1. What did you like best about the course and/or how the instructor taught it?

The professor is very friendly and inviting. She gives very good reinforcement to students when they do well.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

Group work is not something that needs to be done for every assignment; certain assignments felt like they made more sense being done alone and the option to do group work was not necessary at times. Apart from that, the class is very well organized and taught very well.
