1. What did you like best about the course and/or how the instructor taught it?

The course does not take much of my time as English is not something I'm majoring. As a requirement, I am taking however I do get to learn from it while having more time for my major classes.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

I enjoyed the course the way it was taught.

1. What did you like best about the course and/or how the instructor taught it?

I like how interested the professor is in our success as students. She really takes the time to read our essays instead of just browsing through it. She also gives good, detailed feedback and is always positive.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

I have no suggestions.

1. What did you like best about the course and/or how the instructor taught it?

How much Professor Jones cares about each student and made it clear that she wanted everyone to succeed.

2. What suggestions do you have for improving the course and/or how the instructor taught it?

At first it felt a little overwhelming with all the assignments but it did get easier to manage the workload.

1. What did you like best about the course and/or how the instructor taught it?

I loved the classes! Professor Jones always has great feedback for our assignments and is such a welcoming teacher. The layout of the class is very good too, I especially the peer review days where we get to interact with our classmates. I also like that we get to work up to the big assignments, very helpful. Great professor!

2. What suggestions do you have for improving the course and/or how the instructor taught it?

No suggestions!
